Reenlistment ceremony

There will be a Mass Reenlistment ceremony Sunday of April UTA at 0900 in the Adrian Auditorium. The officer presiding will be Brig. Gen. Harold Reed.

This will be the last reenlistment he will get to do for the wing, so let's have a great turnout to show support to our members of the wing willing to continue their military service.

SAAM

Capt. Rusty Ridley

Plans and Operations Specialist

Annually, April is proclaimed as Sexual Assault Awareness Month (SAAM) to increase awareness and promote the prevention of sexual violence through special events and public education. The theme for 2014 is "Live Our Values: Step Up to Stop Sexual Assault."

Without question, we must live our values each day - year round, step up by intervening when appropriate, report these crimes, and support our National Guard victims/survivors. By doing so, we create a culture that does not tolerate sexual assault and proactively works to prevent this crime.

Thank you for your continued support of the Sexual Assault Prevention and Response Program.
